Invite People to Christ—Christ's Mission of Evangelism

We will increase the number of
Community of Christ members /
disciples and congregations
pursuing the whole mission of Jesus
Christ. We will do this by baptizing
and confirming new members, by
opening new congregations

designed to reach new groups of people, and by launching the church in new nations.

Abolish Poverty and End Suffering—
Christ's Mission of Compassion

We will strengthen and expand ministries to serve the poor and

hungry. We also will address the conditions that cause poverty.

Pursue Peace on Earth—Christ's Mission of Justice and Peace

We will be the feet, hands, and voice of the Prince of Peace by pursuing peace on Earth. We will further develop the Temple, dedicated to

the pursuit of peace, as an educational, spiritual-formation, and networking center to support peacemaking throughout the world.

**Develop Disciples to Serve—Equip
Individuals for Christ's Mission**

We will help all ages—from the youngest to the oldest—continuously

grow as disciples of Jesus Christ
through spiritual practices,
community experiences, and
educational curriculum for disciple
formation.

Experience Congregations in Mission—Equip Congregations for Christ's Mission

Individual preparation and effort is not enough. We especially need congregations that are living expressions of the personality, love, spirit, and mission of Jesus Christ.
